RULES

1. The Match Director reserves the right to make changes to these rules in order to ensure success of the youth shooters, fair play and safety for all.
2. All equipment will be inspected for safety, condition, etc. by field officials prior to the match and at any time during the match when inspection is merited.
3. The maximum bow weight allowed in any division determined by the skill and strength of the archer and their ability to draw the bow safely. This will be checked before the match.
4. A nock locator is required to position the nock of an arrow on the string.
5. An arrow must be released off of a felt arrow shelf or an arrow rest. The use of an overdraw arrow shelf or rest is prohibited.
6. Arrows consist of a shaft with a target or practice point, nock, fletching and personal identification markings. Arrows must be sound and spined for the bow.
7. For recurve or “non-wall” shooters, at full draw, arrows must extend a minimum of 2” beyond the back of the bow. Compound bows with a draw restriction limit (wall), must have arrow points at least 1 inch in front of the bow hand.
8. Each archer must provide an adequate number of arrows to complete each event.
9. Mechanical release aids may be used only by compound shooters, unless a physical disability requires one. Competence with the equipment must have been demonstrated before the release aid may be used.
10. Each archer must provide required arm guard and finger protection.
11. Each archer will be required to use a belt or back quiver.
12. “Drawing down” to the target is strictly prohibited. Archers must draw the arrow level to or below the target line.
13. Contestants must attend mandatory safety orientation meeting prior to match. Archers should be familiar with the terms such as “cease fire” and “dry fire” prior to the event and should be familiar with range whistle commands.
14. Bow racks will be provided. Bow and arrows will remain on the rack or with coaches, leaders, and/or parents until the beginning or after the match. Contestants will not handle bows and arrows until receiving permission from the Range Officer.
15. Those who fail to follow these rules may be disqualified. This requirement is necessary to maintain a safe and fun atmosphere during any 4-H Shooting Sports event.
